County Staffing

- **Previously operated with 5 County Contacts in November 2024**
- **Hired new staff member, so going forward we'll have 6 County Contacts**
 - Less sites per person, so more availability
- **County Hotline to be made available to facility staff at EV Sites (specifically Libraries)**
 - Voters calling EV Sites directly will be forwarded to County

Procedural Updates

- **To assist with canvassing and auditing EV Sites...**
- **List of Voters will need to be printed each day**
 - Some sites did this, but previous instruction was to print it all on Day 9
 - Report proved to be too long in November 2024
- **After workers remove the ballots and sort them at the end of each day, they should now be bundled with a rubber band**
 - 9 different bundles by the end of EV in each jurisdiction's bag
 - Place post it note with date on each bundle

- **Previous Allotments:**
 - **2 Scans per site**
 - **2 Ballot on Demands/2 Printers per site/2 EPBs per site**
 - *Rochester Hills Site had 3 Scans/BODs/Printers/EPBs
 - **1 VAT per site**
 - **20 Booths per site**
 - **Sometimes less depending on space

- **Purchasing More Equipment for 2026:**
 - **Scans/VATs to remain the same, no changes**
 - **1 more BOD & Printer per site**
 - **1 more EPB per site**
 - For now, going to stick with State provided EPB
 - **20 More Booths per site**
 - Already purchased and in stock

- **11 New Generators purchased to cover sites that do not already have one**
- **Pens to be tied to voting booths**
- **More pens, apps to vote, secrecy sleeves, blank ballot stock**
 - The items we were running out of all week in November!
- **Still will provide pre-printed ballot stock in case of an outage**
- **MiFi device has proven successful**

- **More workers needed for November even year elections:**
 - Previous Allotment: 7 Workers per Site
 - Proposed Change: 10 Workers per Site
- **Proposed Pay Rate Change:**
 - Workers: \$160 → \$180
 - Chairs: \$180 → \$200
- **Feedback**
- **If you have any workers you'd like to work an EV Site, please send them our way - 2025 is a good year to onboard!**

Line Manager Role

- **Election inspectors will take on an additional role of managing the line (and wear a bright vest to identify themselves)**
 - Direct voters/answer questions
 - Take out their ID
 - Fill out App to Vote while waiting in line
 - Ensure they're filled out correctly
- **Small clip boards will be ordered and placed in each site's equipment bin going forward**
- **This was used effectively at some sites during November's election**
