OLD BUSINESS

1. Verizon Wireless Internet Device Proposal (Inseego Wavemaker FX4200)

Description: The Board will discuss the potential acquisition of a Verizon Wireless Internet Device, the Inseego Wavemaker FX4200, to enhance internet connectivity, network redundancy, and operational continuity for Township operations.

The proposed device is currently available through Verizon's Government/Public Sector program with no net hardware cost. A \$500 hardware charge is applied to the Verizon account and subsequently offset by a \$500 credit within one to two billing cycles. The recurring service cost is \$30 per month. The Board will review the device capabilities, potential uses within Township facilities and operations, expected benefits, service costs, and whether the device should be purchased and deployed as a backup or supplemental internet solution.

2. Allocate \$2,500 to Heritage Committee (under parks)

NEW BUSINESS - None
