

Davisburg Road Maintenance beginning Aug. 31

RCOC's contractor is going to begin work on Davisburg Rd. from Milford Rd to Andersonville Rd starting Aug. 31st. The contractor will be performing shoulder widening work to begin with then following with paving.

All work is done under flag control and the road will be open during the work.

Please notify proper personal of the expected delays due to this project. The widening is expected to take 4-5 days to complete then paving after the Labor Day weekend. That most likely will take another 4-5 days.

If you have any questions please feel free to reach out.
